
1104. CIF APPEAL PROCEDURES INVOLVING MATTERS OTHER THAN STUDENT ELIGIBILITY OR SECTION PLAYOFFS

- A. Appeals of final decisions determined through the Section appeals procedure concerning the Constitution and Bylaws of the State CIF or Section may be presented to the CIF Executive Director's Office for mediation after the Section decision has been made in accordance with the following:
- (1) Was the Section's decision or action lawful; i.e., did the decision or action violate Title V, the Education Code, etc., and did it extend appropriate due process to the parties?
 - (2) Was the Section's decision or action fraudulent?
 - (3) Did the Section act arbitrarily?
 - (a) Did the Section have rules and criteria by which it reached its decision?
 - (b) Were the Section's rules and criteria reasonable i.e., do the Section's rules reasonably relate to a legitimate objective?
 - (c) Did the Section follow its own rules and criteria?
 - (d) Does the Section's action or decision have a basis in reason, or in other words, a reasonable basis? The test to be employed in the application of this criterion is whether responsible people, acting in a thoughtful manner, could reasonably have reached the same decision as the Section and not whether others might personally believe the decision.
- B. Upon receiving such an appeal, the Executive Director may, after consultation with the parties to the appeal, schedule a mediation process if, in the judgment of the Executive Director, there is a likelihood of success for this process.
(Revised May 2003 Federated Council)

1105. CIF SECTION PLAYOFF APPEALS PROCEDURES INVOLVING SECTION RULES & REGULATIONS ONLY

Each Section shall establish to the greatest extent possible a fair procedure to ensure a review of such matters, consistent with the time constraints involved. The decision of the Section on such matters will be final.

1106. STATE CIF PLAYOFF APPEALS PROCEDURES

The State CIF Executive Director shall have full authority to rule on any appeal directly involving State playoffs or to delegate such authority to game or meet authorities. Such a delegation of authority would not prevent the Executive Director from subsequently assuming jurisdiction if the Executive Director believed conditions warranted.

1107. INTER-SECTIONAL DISPUTES PROCEDURE

In the event that two Sections cannot come to a mutual agreement on an issue, a three-person committee composed of the president, president-elect and past-president, along with the State CIF Executive Director, is authorized to hear the issue and render a decision which would be binding. If any member of the Committee is a representative of a Section involved in the dispute, the president shall select another member of the Federated Council to serve on the Committee for that particular issue.

1108. EXECUTIVE DIRECTOR'S AUTHORITY TO INTERPRET

The CIF Executive Director is authorized to interpret the CIF Constitution, Bylaws, and Federated Council regulations, and to issue such official interpretations in writing to all Sections. The Executive Director will report any official interpretations issued at subsequent Executive Committee meetings for their review and consideration. The State Executive Director may review decisions of State Appeals Office before issuance for compliance with the CIF Constitution and Bylaws and compliance with Title V, the Education Code, etc., and whether it extended the appropriate due process to the parties.
(Revised May 2007 Federated Council)

1109. DELEGATED POWERS

- A. In emergency situations, the State CIF President or Executive Director or his/her authorized designee may act for the Federated Council in the best interests of the organization. This action will be reviewed by the Executive Committee as soon as possible.
- B. Between meetings of the Federated Council, the Executive Committee shall be empowered to act for the Federated Council when necessary. This action will be subject to the approval of the Federated Council at its next meeting.

1110. SETTING ASIDE THE EFFECT OF A RULE FOR WHICH THERE IS NO PROVISION FOR WAIVER

The executive director and a Section Appeals Committee, may, on a case-by-case basis, upon evaluation of the evidence, set aside the effect of any Bylaw when, in their joint opinion, all of the following criteria are met:

- A. There exists a hardship as defined by Bylaw 214;
- B. The rationale of the rule being waived will not be offended or compromised;
- C. The principle of the educational balance (over athletics) will not be offended or compromised;
- D. The waiver will not result in a safety risk to teammates or competitors;
- E. The waiver will not result in an unfair displacement of another student from athletic competition;
- F. Competitive equity among competitors will not, as a result of the waiver, be skewed in favor of the student or the student's team.

(May 1997, Federated Council)

NOTE: In practice, this bylaw is initiated by a section appeals committee. However, the Bylaw may be initiated by the Executive Director upon review of an appeal.

This rule is not retroactive and does not set aside the penalty for playing an ineligible player. See Rule 500.2 (Forfeiture Status).

1111. CIF SOUTHERN SECTION APPEALS PROCEDURE

- 1111.1 Any student who has been declared ineligible under CIF Southern Section or league rules may appeal to the Commissioner. Appeal requests must be in writing *and address the hardship criteria of being an 'unforeseeable, unavoidable, uncorrectable act, condition or event that is non-athletic in nature'.* In the event the student or his/her parent wishes to contest the ruling of the Commissioner, that appeal request must be submitted in writing, *and address the hardship criteria of being an 'unforeseeable, unavoidable, uncorrectable act, condition or event that is non-athletic in nature'.* The Commissioner will convene a hearing panel or single hearing officer in a timely manner. The hearing officer or panel may consist of trained hearing officers approved by the Executive Committee.
- 1111.2 Any member school which believes it has been aggrieved by a CIF Southern Section or league rule, policy decision or the failure of another school to honor an interscholastic athletic agreement, shall direct their appeal first to their league. In the case of a free lance school, the appeal shall go to the CIF Southern Section. Such appeal must be in writing and submitted to the league president, or in the case of a free lance school, to the Commissioner within fourteen days of the original decision.
- 1111.3 Upon granting such a hearing, the Commissioner shall set a time for a hearing by the Executive Committee and notify all necessary parties of the time and place of the hearing. At the hearing, any accused individual may be represented by a council of his/her choice and has the right to cross-examine witnesses and present evidence in his/her behalf. The hearing need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs. At the conclusion of the hearing, the Executive Committee shall vote to decide the action to be taken. If because of pressing circumstances the tasks as delineated in Bylaw 1110.3 or Bylaw 1110.4 cannot be accomplished at a regular scheduled meeting of the Executive Committee, three available (current or former) Executive Committee members, or a single hearing officer or trained hearing officer, approved by the Executive Committee, may act on behalf of the Committee. SPECIAL NOTE: Former Executive Committee members may serve on hearing panels.

- 1111.4 Where it appears that an appeal is such that the school, league and Section have no authority to waive or modify a rule being challenged, the Commissioner shall review the case in order to substantiate the previously mentioned supposition.

If, as a result of such a review, it is established that this is in fact correct, the Commissioner at the President's direction, may file such an appeal directly with the State CIF Office in accordance with State Bylaw 1101, and the matter need not be processed under the aforementioned appeals procedure within the CIF Southern Section.

1112. APPEALS DEALING WITH INTERSCHOLASTIC CONTESTS

- 1112.1 Any member school shall have the right to protest the outcome of any athletic contest if its opponent has used an ineligible player in the contest or violated any CIF Southern Section rule in connection with the contest.
- 1112.11 If the protest involves a regular contest, such protest must be filed with the League President, in accordance with that league's Bylaws. (Note: A league may be more restrictive with its rules than the CIF Southern Section, provided it is not in conflict with a Southern Section and/or National Federation playing rule. League officers are encouraged to check with the CIF Southern Section Office at the time of developing and/or amending of league Constitution and Bylaws article.)
- 1112.12 If the protest involves a non-league contest, such protest must be submitted, in writing, within five (5) days to the CIF Southern Section Office. In the event the Commissioner is unable to resolve the contest in question, it will be forwarded to the CIF Southern Section Executive Committee.
- 1112.2 Any protest of a playoff contest involving an ineligible player, violation(s) of Southern Section rules and regulations which may affect teams in the playoff draw, or matters other than playing rules that might affect teams in the playoff draw, will be processed by the Commissioner who will have the SOLE authority to rule on the contest or any contest to be played in upcoming rounds.
- 1112.21 Upon completion of the investigation, the Commissioner will notify all parties concerned at the earliest possible moment of the decision.
- 1112.22 The Commissioner may waive this procedure if, in the Commissioner's opinion, conditions warrant it; and he will then rule immediately on any question pertaining to the playoffs including disqualification.
- 1112.3 No protest will be considered involving a CIF Southern Section playoff contest in which a game official has misapplied an official rule governing that sport.

QUESTION: How may a coach resolve a misapplication of an official rule governing that sport at the game site?

ANSWER: The coach must raise the question of misapplication in accordance with official rules governing that sport with the game officials at the exact time of the misapplication and the game officials will rule on the possible misapplication before play continues. No protests may be forwarded from this point.

1113. SECTION COMMISSIONER AUTHORITY TO INTERPRET

The CIF Southern Section Commissioner shall interpret all rules of the organization, and these interpretations will be final until such time as the Executive Committee rules otherwise. This would include the initial processing of all eligibility appeals submitted to the CIF Southern Section office.

ARTICLE 120 APPROVED SPORTS

1200. CIF-APPROVED SPORTS

- A. The addition to, or deletion from, the list of CIF-approved sports is subject to Federated Council approval. A Section may not approve or conduct competition in a non-CIF-approved sport without Federated Council approval. Approved interscholastic sports are: badminton, baseball, basketball, cross country, field hockey, football, golf, gymnastics, lacrosse, skiing, soccer, softball, swimming and diving, tennis, track and field, volleyball, water polo and wrestling.

NOTE: Snowboarding is an approved event within the sport of skiing.

1. Interscholastic competition in approved sports shall be conducted under CIF rules.
2. All sports or events not listed as CIF-approved sports need not be conducted under CIF rules or jurisdiction.

B. Boxing

Boxing is not approved as a CIF interscholastic sport. Schools participating in interscholastic boxing may be barred from all CIF competition for a period of time up to one year in duration.

(Revised May 2008 Federated Council)

- 1200.1 No playoffs will be conducted by the CIF Southern Section Office in an approved sport when less than 20% of the membership field teams in that sport.

1201. OFFICIAL RULES BOOKS

- A. In all student team sports, where rules are written by the National Federation, the National Federation of State High Schools (NFHS) rule book shall be official. In student team sports where the National Federation does not write the rules, the NCAA rules (scholastic division) shall apply. In sports where neither the National Federation nor the NCAA write the rules, the nationally recognized amateur association rules for that sport shall apply.
- B. Where rules are written for girls' sports by the National Federation, those rules shall be official.
- C. In gymnastics, CIF Sections are authorized to use U.S. Gymnastics Federation (USGF) rules for compulsory routines; all optional routines must follow National Federation rules.
- D. In sports for girls where the National Federation does not write the rules, the National Association of Girls and Women Sports (NAGWS) rules shall be official whenever the rules for the sport are written by NAGWS. In sports where neither the National Federation nor the NAGWS write the rules, the nationally recognized amateur association rules for that sport shall apply.
- E. For special mixed events and coed teams in tennis and volleyball, the following rule guides shall be used; Tennis - United States Tennis Association (USTA); Volleyball - United States Volleyball Association (USVBA).

NOTE: CIF Sections may adopt optional game rules whenever permitted by State Association adoption in all sports game rules published by the National Federation.

1202. DAILY CONTEST LIMITATIONS

A. CONTESTS -

Interscholastic (dual-triangular) athletic contests in CIF approved sports are to be arranged in such a way that no student shall take part in more than two athletic contests in any one day. NOTE: The two-contest maximum rule does not apply to tournaments.

B. TOURNAMENTS -

All interscholastic athletic tournaments (defined as four or more teams) in CIF approved sports are to be arranged in such a way that no students shall take part in more than one tournament in the same sport in any one day.

NOTE: See Maximum Team Contests under each sports section.

1203. STUDENT PARTICIPATION

A. DURING THE SCHOOL YEAR:

California Interscholastic Federation approved sports are listed in Rule 1200. Rules and regulations apply for these sports during the school year only. Some activities depend upon specific sport skills. Among these are hole-in-one contest for golf, basketball free throw contest, baseball throw for distance or accuracy, and football punt for distance.

Achievement in these activities depends upon an individual's athletic prowess in a particular sport. If this activity is an approved CIF sport, then a student may jeopardize the student's CIF eligibility if the student's participation violates the CIF amateur status or award rules.

B. DURING THE SUMMER:

During the summer period California Interscholastic Federation rules and regulations do not apply to any activities except as follows:

- (1) No physical conditioning or practice session for football prior to the opening of authorized practice may be conducted by a high school, unless specifically authorized by the appropriate CIF Section.
- (2) Participation in any other sport during the summer is governed by the nationally recognized authority for each sport, if such authority exists.

QUESTION: *Is the Southern Section more restrictive with reference to summer activities?*

ANSWER: *Yes - When summertime athletic activity is to be conducted by Southern Section schools, the schools involved MUST ESTABLISH appropriate rules and procedures regulating the initiation, implementation, maintenance, monitoring and accountability of each athletic program.*

This continued interpretation will permit member schools to use equipment, uniforms, facilities, utilities, etc. for summer activity with the APPROVAL OF THE PRINCIPAL ONLY.

Additionally, any contact with students that have not graduated from the 8th grade or a 9th grade junior high school (excluding multi-campus) would be considered a violation of Bylaw 510, undue influence.

QUESTION: *Who may participate in high school summer athletic programs approved by the principal.*

ANSWER: *Only students registered for the upcoming school year in grades 9 through 12. For students enrolled in more than one school, all summer practice and competition must be confined to a single school. Additionally, it would be a violation to allow elementary students (8th grade and below) to participate with the high school team.*

QUESTION: *What are the guidelines for sport camps?*

ANSWER: (A) *High school sponsored sport camps during the school year or during the summer:*

- (1) *Only students registered or enrolled in the high school can attend.*
- (2) *The high school name or nickname can be used.*
- (3) *Principal of the high school has given permission for the camp to take place.*

(B) *Other sport camps during the school year or during the summer:*

- (1) *Students from other high schools and/or individuals from the general community are invited to attend.*
- (2) *High school name or nickname cannot be used in the title of the camp or used in the promotion of the camp.*
- (3) *Organizers/coaches should secure facility permit for use of school and equipment.*

(4) *Organizers/coaches should provide required liability insurance.*

(5) *The camp may be identified as the coach's/organizer's camp, but without any connection to the high school or the high school sports program.*

NOTE: During the regular school year (from the start of the fall season until school is out in June) all Blue Book Rules apply, i.e., the Undue Influence Rule, etc.

1204. SECTION GUIDELINES FOR OFFICIALS

Each CIF Section shall develop guidelines for the use of officials. It is highly recommended that officials trained and rated in CIF approved rules for each sport be used.

1204.1 The CIF Southern Section recognizes the governing authority of each sport official's association. Individual area official's chapters, within those associations, who are not in good standing with their governing body, are not eligible to officiate CIF Southern Section contests.

1205. UNIFORM RULE EXCEPTIONS

In the case of a manufacturer's error, the Section Commissioner is authorized to waive National Federation uniform rules, allowing exceptions as necessary within the spirit of the National Federation rules.

1206. UNIFORM ATTACHMENTS

All uniform attachments are prohibited by State CIF Federated Council action except where provisions are allowed under National Federation Rules.

1207. AREA ASSIGNMENT LIAISON

The CIF Southern Section shall employ area liaison of officials for boys and girls sports.

1208. SELECTION OF AREA ASSIGNMENT LIAISON

The area liaison shall be selected annually by the CIF Southern Section Commissioner of Athletics, with the approval of the leagues in each area. Each liaison's annual salary shall be determined by the Executive Committee and made payable in two equal installments - December 1 and March 1 of each school year.

1209. LIAISON REPRESENTATION

The liaison shall be directly responsible to the CIF Southern Section Commissioner of Athletics, and shall maintain a neutral position and shall represent both the officials associations and the leagues in their respective areas. At the direction of the area liaison, leagues may be directed to play on alternate days when there is a shortage of officials in a specific sport.

Liaison duties shall include, but not be limited to:

1. Gather all master schedules from member schools
2. Provide schools' schedules to each association.
3. Organize and chair a standing committee of assigners for each association.
4. Provide a list to member schools of the name, address, phone number and availability of all assigners.
5. Be available to schools and officials for a reasonable amount of time each day.
6. Monitor the overall effectiveness of the various officials associations in the areas of certification, recruitment, training, and retention.

1210. LEAGUE MEETINGS

The liaison shall attend, upon request or when possible, meetings of leagues within their jurisdiction. When attendance at such meetings involves excessive travel, the league involved shall reimburse them for any travel expense incurred.

1211. PROTESTS

The liaison *will not handle protests of athletic contests*; this is the responsibility of the leagues involved. They may, however, secure information and serve as resource personnel or consultants in all protest cases when requested by the league.

1212. ASSIGNMENT RESPONSIBILITIES - ASSOCIATION

It is mandatory that the association assigner of officials assign all contests in all sports when officials are available, providing schedules are received on time.

Expectations for Association Assigners:

- 1212.1 Assign officials for sanctioned events if officials are available.

QUESTION: Shall the assigner assign all tournaments?

ANSWER: Yes - The assigner is responsible for all assignments including tournaments. Schools are to forward their tournament requests to the liaison, who in turn will forward them to the assigner. Tournament contests are not to be assigned by anyone other than the Association assigners. Additionally, fees approved under the provisions of Bylaw 1222 must be paid.

- 1212.2 Compile a list of certified officials in each sport and furnish a copy of this list to all schools and/or league presidents within their area of assignments.

- 1212.3 Compile a master schedule of all assignments in each sport and furnish a copy of these assignments to all schools and/or league presidents within their area of assignment.

- 1212.4 The assignment of available officials, including experienced officials, must be assigned and shared on an equitable basis between boys and girls sports.

- 1212.5 Authorize payment of fees.

- A. A flat fee will be used to compensate officials for travel based on the following scale:

51 - 75 miles = \$12.00
76 - 125 miles = \$18.00
126 - 175 miles = \$30.00
176 - 250 miles = \$42.00
251 - 350 miles = \$54.00
351 - 450 miles = \$72.00
451 miles and above = For distances beyond 450 miles, the following formula will be utilized:
Begin with \$72.00, which represents 450 miles round trip
Add \$2.40 for every 15 additional miles traveled round trip
Example: 525 miles round trip = \$72.00 - First 450 miles
additional 75 miles = \$12.00 - 75 divided by 15 = 5, multiplied by \$2.40
Total mileage reimbursement = \$84.00

- B. The origination point for official's mileage will be determined in the following way:

1. Regular Season - From the official's home residence within the assignment area, to the location of their contest. Officials who live or work outside their assignment area will only be compensated for mileage from the point they enter their assignment area. All officials are entitled to mileage if they drive separately to contests.

2. Playoffs - From the location of the meeting place for the officials association.

Note: For playoffs only, mileage will be paid to the Head Official of all officiating crews in all sports.

1212.6 Current high school students are not eligible to officiate Southern Section athletic contests.

1213. ASSIGNMENT RESPONSIBILITIES - SCHOOL/LEAGUE

1213.1 Schools and/or leagues must submit completed master schedules to their respective liaison using the following time line (or as specified by the liaison):

Fall Sports:	May 1st
Winter Sports:	June 1st
Spring Sports:	November 1st

1213.10 Area liaisons will send school and/or league schedules to area assigners within two weeks of receipt.

1213.2 Leagues are requested to reproduce master schedules for distribution to member schools.

1214. HOST AREA ASSIGNMENT POLICY

When a CIF Southern Section school hosts a school from another Section of the CIF in any sport requiring officials, the association assigner of officials from the host area will assign the game officials.

1215. CONTEST CANNOT START

When an official arrives at a site and the regularly scheduled athletic contest cannot start (canceled due to inclement weather, light failure or other circumstances beyond the control of the host management) each official shall receive one half of the game fee.

1216. CONTEST CANCELED AFTER START

Whenever a scheduled athletic contest is started and then canceled because of inclement weather, light failure, or other circumstances beyond the control of the host management, each official shall receive his or her full fee.

1217. CONTEST CHANGE

If the date, time, or location of any athletic contest is changed after assignments have been completed, it shall be the responsibility of the host management to notify the officials involved. Should any official not be able to make the change, it will be the host management's responsibility to notify the appropriate association assigner, and a replacement will be assigned provided the original official was assigned by the assigner.

1218. REMOVAL OF OFFICIAL

After an official has accepted an assignment, the official can be removed from the contest only at the direction of the school principal and by the payment of the full fees by the objecting school. A replacement will be assigned by the appropriate assigner. This rule does not apply to CIF-SS playoff contests.

1219. OFFICIAL FAILS TO APPEAR

When an assigned official fails to appear, the contest should be played, and it will be the responsibility of the host school to provide either an alternate CIF Southern Section official or a *mutually* agreed upon qualified person to officiate the contest at all levels of competition. If both schools cannot mutually agree upon a qualified person as a substitute official, the game will be rescheduled.

QUESTION: What is the position of the CIF Southern Section with reference to using replacement officials when assigned officials fail to appear?

ANSWER: Due to the extreme liability potential, only certified officials should be used to replace an official that fails to appear.

1220. FAILURE TO NOTIFY OFFICIAL OF CHANGE

When a regularly scheduled game date or site is changed and the host management fails to notify the official and he or she arrives at the site of the contest and there is no game, the official shall receive half the fee.

1221. INCLEMENT WEATHER

- 1221.1 In case of inclement weather, it is the responsibility of the official assigned to contact the host management to learn whether or not the game will be played. If the official should arrive at the site of the contest without previously checking and the contest has been canceled, neither the host management nor the CIF Southern Section is required to reimburse the official for any part of his or her fee. If the official has been notified by the host management by 1:00 p.m. that the contest will be played, and he or she arrives at the site of the contest, and in the meantime the contest has been canceled, the official shall receive half the fee.
- 1221.2 At the time the official calls, he or she should be notified of the rescheduled date and time. If this is not possible, it is the host management's responsibility to notify the official of the rescheduled date and time as soon as it is known.
- 1221.3 If the original official is not able to officiate on the rescheduled date, it is the responsibility of the host management to secure a replacement official, by notifying their area assigner of officials.

1222. OFFICIALS FEES

- 1222.1 All fees listed in this section were approved by the CIF-SS Council and are the only fees to be paid by member schools. Officials are to be paid in a timely manner. Failure to do so may result in CIF Southern Section sanctions.
- 1222.2 All member schools of a particular league shall pay the same fee regardless of enrollment.
- 1222.3 The established officiating fees are listed below.
- 1222.4 In the case of a "no show" official, member schools shall pay the official who works his/her regular game fee only.
- 1222.5 When two officials are requested and only one is assigned, member schools shall pay the one official fee for the contest.
- 1222.6 Payment to assignors for changes, after schedules have been submitted by athletic director:
- * \$5.00 for each change of contest, date, time or location.
 - * Schools will have the option of reassigning their own games with certified officials. If schools handle their own reassignment, there will be no fee paid to the assignor (the officials originally assigned to the contest have the first option for reassignment)
 - * Schools will not be charged a reassignment fee if the changes are due to weather, act of God, or natural disaster.

When competition is conducted in 8 lanes or more (open lanes count toward the 8), 2 officials will be required for CIF time standard verification. If 2 officials cannot be obtained, qualification will only be recognized within the first 6 lanes (open lanes count toward the 6) from the starter.

B. Championship Prelims, or Invitational Prelims Meet Pay Schedule:

*Each event may constitute multiple heats.

Count the number of heats for all levels in the Prelims. Divide this total by eleven (11). The quotient represents the number of levels (refer to the Dual or Triangular Meet Pay Schedule). The remainder of this division problem represents the number of extra heats. Add \$1.00 for each additional heat (see example below). In the Prelims, each official's pay is based upon the total number of heats.

<>C. Championship Finals or Invitational Finals Meet Pay Schedule:

Determine the number of heats in the Finals' Program. A reminder – Consolation and/or Bonus Finals constitutes a/an additional heat(s). Refer to the Dual Meet Pay Schedule to determine the amount to pay each official. In the Finals, each official's pay is based upon the total number of heats.

Example:

This total assessment will then be divided equally among the officials.
 Fees for elimination tournaments where match periods are of 1 minute duration will be \$47.00 times the number of teams entered.

Example:
 10 team tournament = 10 x \$47.00 = \$470.00

This total assessment will then be divided equally among the officials.

- (b) Wrestlebacks from the quarterfinals add \$21.00 per official. (Any other formats resulting in additional wrestling such as, but not limited to, double elimination type tournaments add \$45 per official.)
